

BOWLING NEWS

The regular season has ended...sad to say...but now it's roll off week. It came down to the wire and the Willows would not quit. The Hickories, last year's champs, have been eliminated and designated as "chumps". The Oaks have been sitting at the top waiting for their attempt to return to the glory years....Can they go from champs to chumps and back to champs???? The competition is ready...all confident that they will win the coveted crown. Will the alley conditions be the determining factor?? Which team will be able to adjust and end up with the gold??? Here's what I think will be some keys:

1. Turkeys/Hambones: critical to scoring total pins
2. Spares: ya gotta make um...period
3. 10th frame: when championships are won

Tuesday: Hemlocks vs Willows

Wednesday: winner of Tues. vs Poplars

Thursday: winner of Wed. vs Sycamores

Friday: winner of Thurs. vs the regular season winner "Oaks"

Come out and enjoy the action!!! Or just support your club!

THE WEEK IN REVIEW

Who's Hot! The Oaks and the Hickories split their match. Terry Embody (522, 198 hambone), Paul Mizic (481, 190 honor gm), and Red Rhoades (474) led the Hicks. Capt. Sifer (523, 220 hambone), Art Fizz (514,203), Jim Flemming (479), and Charlie Regan (465, 197 gm) led the Oaks. The Maples took 3 from the Poplars behind the bowling of Don Miklusak (564, 198gm) and Bev Mizic (404, 159 gm). Russ Biehl (515) and Daron Derr (485) led the Pops. The Red Hot Sycamores took 4 from the Elms. Led by Amy Holden (499, 192gm), Warren Roberts (443), Kevin Kovach (491), and Rich Keene (493), this team looks like they are ready to make a run for the "gold". They have the Oak Killer on their team and she is at the top of her game. Friday night's action was wild as the Beaves took 4 from the Hemlocks and rolled themselves into the playoffs. Theresa Flemming (452), Cora Sharp (409), and Gina Custer (415) led the way. The Pops split with the Hickories and secured a third place finish in league. Sal Alamia (500, 198gm) and Neil Gazzillo (439) led the way. Ted Derr through in a 421 also. Jim Custer (513, 232 hambone) led the Hicks along with Terry Embody (482). See Ya next year Hickories!!!

Who's Not! The Elms and the Hemlocks get the Brookstick Award and the Pops, who needed a big night, lost 3. Ted Derr had a \$.98 game. Not only is that a bad bowling score but it's also a bad golf score for Ted. Len Smith \$.99 and

Terri Eckroth \$.96 failed to make the magical 100 also.
Daron Derr (392) needs to roll better on the playoffs.
